Description

DVC Solutions is international software development company with offices in Chicago (USA), Halmstad (Sweden) and Banja Luka (Bosnia and Herzegovina).

The company was established in 2013, and it is engaged in the development of complex cloud web and mobile software solutions, mainly based on open source technologies.

Since we have established a very disciplined and responsible business model that has been recognized by customers around the world, we managed to achieve a successful long-term cooperation with companies from the United States, Sweden, Austria, Netherlands, Germany, Ireland, the United Arab Emirates and many other countries worldwide.
