- Wednesday 09:00 - 10:45

Description

Dana is a global Tier-1 manufacturer of driveline solutions for the automotive, commercial vehicles and off-highway OEMs. Dana manufacture (among others) axles, driveshafts, transmissions and thermal management products. With an annual revenue of 7 billion USD, Dana is a key player within the industry, looking to further expand it's supplier base within the CEE and Balkans.

The IPO office in Hungary is responsible for strategic sourcing for the different business units and production sites of Dana in Europe.
