### Bilateral Meetings

- Tuesday 16:00 - 18:30

#### Description

ACS is a business association based on economic interest of its members uniting Slovenian automotive suppliers. Its members' aim is to reinforce the competitiveness and create greater added value. GIZ ACS is the central communication point of the automotive cluster and it is supported by infrastructure. ACS provides support for its members to integrate into the global automotive industry and to improve the range of their products and services. Therefore it accelerates the efficiency of its members by providing adequate research and development and co-operating with expert development and scientific institutions both in Slovenia and abroad. GIZ ACS is leading a Strategic research and innovation partnership SRIP ACS+ in field of mobility within Smart Specialization Strategy of Slovenia.
