Description

The company Odelo Slovenija d.o.o. is part of group odeloFarba, with headquarters in Stuttgart, Germany. It is a well-established global manufacturer of high-quality rear lights, third brake lights and direction lights of premium class. Our main markets are in the field of the global automotive industry, mainly the European-German market, followed by NAFTA and the Asian market. Our lights are distinguished by high quality, innovation, use of demanding technologies and many other advantages in automotive brands like Mercedes-Benz, BMW, Audi, VW, Porsche and others. In 2011 the group is hundred percent owned by Bayraktarlar Holding A.S., which is based in Istanbul and is one of the leading manufacturers of automotive lights in Turkey. Odelo Slovenija is ranked as one of the largest employers in Slovenia with over 1500 employees. In 2015, the plant in Črešnjevci near Gornja Radgona started production with the production of spare parts. The company Odelo Slovenia is also the winner of numerous awards (Lean Production, the TPM Award "Total Productive Maintenance Award 2017" and the prestigious European Award "Automotive Lean Production Award").
