- Tuesday 16:00 - 18:30
- Wednesday 09:00 - 10:45

Description

TRIGO has an extensive presence all over the world with specific coverage at strategic locations for industrial supply chains. One of our key assets is our mix of global scope and dedicated local resources in operational quality solutions. Developing from our expertise and long experience in the automotive and aerospace industries, TRIGO has been delivering tailor-made [quality management](#) & [inspection](#) solutions for more than 15 years in the most demanding industrial sectors. Whatever your industrial background is, or the products, you manufacture, our operation-oriented teams are able to support you in solving your key quality challenges across the supply chain.
